Web Developer

📍 block g2 phase 2, block g2 phase 2, Lahore, Punjab, 54000, Pakistan

✉ amiralitech727@gmail.com ☎ 0343 3932659

My expertise in HTML, CSS, JavaScript, and modern front-end frameworks like React and js enables me to design elegant user interfaces with a focus on optimal user experiences. On the back-end, I'm proficient in Node.js and Express.js, and I have extensive experience in working with databases, particularly MongoDB and SQL, to build scalable and efficient server-side solutions.
